Aanii MChigeeng !

We would like to Announce that ISN Maskwa has started working with MChigeeng First Nation on community safety assistance as of September 23, 2024, for a limited period of time. A plan for their stay with MChigeeng is being developed in collaboration with our Chief and Council, Department Managers, and UCCM Police. I would like to welcome ISN – Maskwa to our community.

ISN Maskwa will be present in the community around-the-clock, helping us maintain community safety, by conducting wellbeing checks and Mental Health Supports. Our council members will be out visiting with ISN at the homes of our elders to explain their presence in the community. They will also be making visits to our departments, wellness center, and schools to better understand the community's urgent needs.

If you need help with your wellbeing or perhaps just want to talk, our phone number is open around-the-clock. ISN is also available for this service throughout their stay with us if you would need a property check done before you leave town for the evenings or weekends, please reach out for supports by calling 705-971-6611. Attached is a poster for you hang on your refrigerator for easy reference.
