Community Notice: Changes to Pharmacy Services for Health Services Programs

M'Chigeeng First Nation Health Services is committed to providing safe, effective, and reliable services to our community members.

After careful consideration and review of concerns that have been brought forward regarding pharmacy services, M'Chigeeng First Nation Health Services will no longer be utilizing Sweetgrass Pharmacy & Compounding for Health Services programs.

Moving forward, prescriptions for participants enrolled in the Health Services Wellness Recovery Program and/or Psychiatric Services will be coordinated through Guardian Pharmacy in Mindemoya. Participants continue to have the right to choose the pharmacy where they wish to fill their prescriptions, with the exception of Sweetgrass Pharmacy & Compounding. Individuals who wish to continue using Sweetgrass Pharmacy & Compounding as their primary pharmacy may choose to access similar programs offered by other providers outside of M'Chigeeng Health Services.

We understand that this change may be an adjustment for some participants and appreciate your understanding and cooperation as we continue to prioritize the health, safety, and well-being of our community members. If you have any questions regarding this change, please contact M'Chigeeng Health Services.

Miigwetch,

Gimma Glen Hare
